All MIT faculty, students, and staff can visit and borrow from Harvard simply by registering. The MIT Libraries have arranged for on-site registration here on campus to help streamline the process.

Come to Hayden Library on one of our registration days on Feb. 13, 19, and 26:

- 1) Bring your MIT ID and government-issued ID
- 2) Log into Borrow Direct via Touchstone. DUO authentication is required; please have your mobile phone set up with DUO.
- 3) Then you can go to the Harvard card office (Smith Center) to get your borrowing card.

Already have Harvard access and need to renew? Bring your Harvard ID (you must still have this) to Hayden Library on one of our registration days and follow steps 1&2 above to reactivate.

Can't come to Hayden on one of these dates? You can also [apply online](#) and confirm your affiliation via a Zoom appointment. You can then pick up your card at Harvard's Smith Center [ID office](#) at your convenience. Learn more about using Harvard's libraries at libraries.mit.edu/harvard.
